

PRIMARY CLASSES

Belief creates the actual facts

FIRELESS COOKING

Recipe has no soul, it is you who as a cook bring soul to the recipe.

Cooking can happen even without the fire. A "Fireless cooking activity was conducted for students from Class 1 to 5. & many more. They proved their versatility in cooking even without fire!!

Students under the guidance of their teachers prepared yummy lip-smacking items like Sev puri, a Variety of Sandwiches & many more. They proved their versatility in cooking even without fire!! Cooking with kids is not just about ingredients, recipes and cooking. It's harnessing imagination, empowerment and creativity."

A NEW WAY OF LEARNING

A SKIT BY V-B on 11th November 2022

There was active participation from each and every kid. This activity inculcated an interest and a great enthusiasm to learn more in life. They felt confident and made aware of the stage ethics as well & most importantly, they explored a new way of learning English as a Subject.

It is rightly said that children learn best from their own experiences.

The students of class V had come across a new way of learning English. They had prepared a small skit based on one of their chapter The Blossom tree. The theme of the chapter was on Friendship & the chapter inculcated the message that friendship should not be done based on the fame and magnificent of the person. Rather it should be on the loyalty and honesty of the person towards his friend.

They themselves had assigned characters to each other and practiced their role thoroughly.

The theme of the chapter was Friendship & the chapter inculcated the message that friendship should not be done based on the fame and magnificence of the person. Rather it should be on the loyalty and honesty of the person towards his friend. had explored a new way of learning English Subjects. There was active participation from each and every kid.

14TH NOVEMBER CHILDREN'S DAY

Children are like wet cement, whatever falls on them makes an impression. They are the most valuable asset and future of any country. To make people realize this truth, Children's Day is celebrated on November 14th all over India. This signifies the birthday anniversary of Jawaharlal Nehru also. He always believed the children should be given the utmost love and affection.

Students were excited as they witnessed a special assembly hosted by their teachers followed by fun filled games like Volleyball, Tug of War, Cricket. Students of Bal Bhavan & Class 1 went for a picnic to City Park, Mansarovar. Students played fun games and enjoyed their lunch. The park was very beautiful, and the kids loved going out.

For Class 2 and 5 students, it was Movie Day. They enjoyed watching The Princess and the Dragon, thereafter, having a Dance Party.

INAUGURATION OF GEOGRAPHY LABORATORY

Geography labs play a pivotal role in enriching the geographical base of a student.

Learning of Geography involves lot of practical knowledge and to amplify geographical acumen, Department of Humanities along with respected Principal Sir Mr Rakesh Upadhyay inaugurated Geographical Lab which is a well-equipped lab with modern geographical apparatus, maps and models to provide ample opportunity for the students to observe and learn concepts and facts easily.

The parents were elated and thanked the management & Principal Sir for such an initiative.

National Library Week (14 to 20 November 2022)

There is more treasure in books than all the pirates loot on Treasure Island. Libraries store this treasure that fuels the imagination. They open up windows to the world and inspire us to explore and achieve and contribute to improving our quality of life.

On the occasion of National Library Week, Gyan Vihar School, had organised various activities related to the library for the students to enhance their reading & listening skills and to make them aware of the importance and the usage of the library. There was an active participation from each class & students got an opportunity to learn many things from the week. Students participated in the week & various activities were also conducted during the week.

Throughout the week, the students from each and every age group showed their participation very enthusiastically. The week had enhanced the reading skills of the learners which is a very important aspect in their lives. Moreover, the week had also managed to develop interest of the students towards the library and made them aware about the usages of the most important part of the school i.e library, which during the modern time has been forgotten. The week concluded with the motivating and encouraging words of the principal sir Mr. Rakesh Upadhayay.

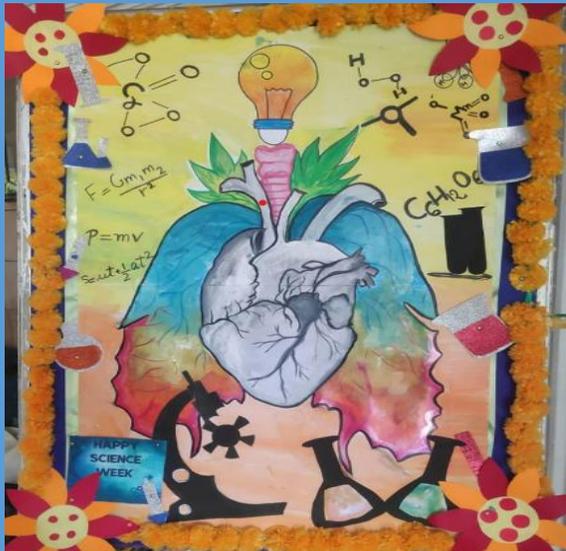

GYAN VIHAR SCIENCE WEEK

(21st to 26th November)

Everything is theoretically impossible until it is done
The exciting world of science is just waiting for you to discover it!

Science week activity conducted in Gyan Vihar school. Students were overjoyed and enthralled to participate in various activities to learn by doing themselves.

This was amazing to clear the concepts of children.

RANGREZZ DRAWING COMPETITION

Art is unquestionably one of the purest and highest elements in human happiness.

It trains the mind through the eye, and the eye through the mind. As the sun colours flowers, so does art colour life. Gyan Vihar in collaboration with Dainik Bhaskar organised a unique painting competition 'Rangrez in the school premises on the theme 'Healthy Jaipur'.

Students from 2nd to 8th unleashed their creative prowess.

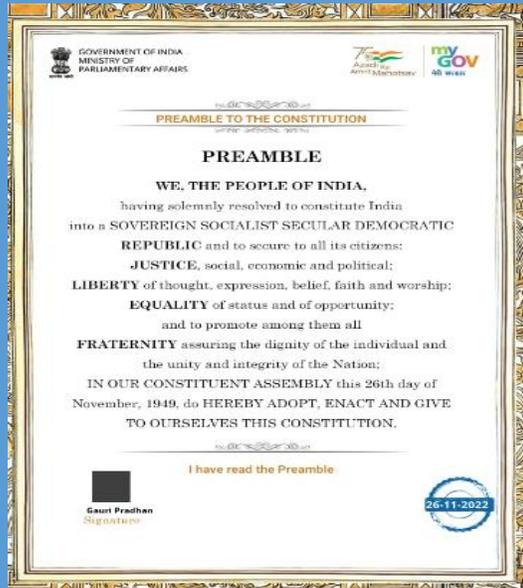

National Constitution Day 26 November

Constitution is not a mere lawyer's document, it is a vehicle of Life, and its spirit is always the spirit of Age." — B.R. Ambedkar

National Constitution Day was celebrated on 26 November to commemorate the adoption of the Indian Constitution. To reiterate the values enshrined in the Constitution, the students and the fraternity read the Preamble of the Constitution in special assembly held by Gvians.

The entire school reaffirmed its commitment to the Indian Constitution by taking the pledge in the presence of Respected Principal Mr Rakesh Upadhayayji

THANK YOU
